# INTRODUCTION

The North Durham Chamber of Commerce (formally the Scugog Chamber of Commerce) is a voluntary, not-for-profit association of business and professional individuals that proudly fosters community pride and collaboration to enhance the quality of life in North Durham. With funding from business members and guidance from a dedicated team of volunteer board members, our Chamber recently celebrated its 110th Anniversary and embarked on a transformative journey to become the North Durham Chamber of Commerce (NDCC), uniting the townships of Scugog, Uxbridge, and Brock in an innovative collaboration.

Through signature events hosted by the Scugog Chamber, now the NDCC, we aim to bolster economic prosperity and nurture a strong sense of community spirit. Your sponsorship plays a vital role in ensuring our community remains a premier destination for residents and visitors alike. By partnering with us, your business can enjoy enhanced brand recognition, credibility, and positive publicity, while also demonstrating corporate citizenship and distinguishing yourself from competitors.

In 2025 we have some exciting new programs and events on offer and we hope you'll join us in shaping a brighter future for our community through the power of sponsorship!

Thank you for your consideration,
